I could not get them back, and I suffered everything, and the ceter said nothing but an operation would ever relieve me; but I read of your remedy in our daily newspaper, and I told my husband to get me a box and I would give if a irial before consenting to the knile, and thanks be to your wonderful medicine. I was saved from the operating table.

Mr. Franklin W. Calkins of Wyoming. Wis., who writes many interesting stories for the Youth's Companion, says:

"Food can make or utmake a writer. For a number of years, living the sedentary life of the writer and student, I suffered all the life of nervous dyspepsia. I could eat nothing in the morning save a dry crust of toasted bread and a cup of weak coffee. For my dinner at 6 o'clock I had been in the halft of eating rare beefsteak, the only food from which I seemed to get proper nourishment, but no meal was taken without the after pangs of indigestion. I was beginning to get disgusted with life.

"About a year ago a filend suggested Grape-Nuts, telling me of the benefit he had received from the food, and I began with it as directed. I found immediate relief from my indigestion and in a short time my dyspepsia lett me entirely. I have now used Grape-Nuts for a year and have had no trouble with my stomach, having eaten many enjoyable dinners.

"I find, in fact, that all you say for Grape-Nuts is true, and it is certainly the food for brain workers and the truth of your claims is proved in my own cure. I have no appetite for meats."

As the cup held several bottles of the famous vintage, some time was required in passing it from hand to hand. President Francis pressed his lips to the inverted vessel after the Commissioner. Treasurer Thompson next imbibed. Then it made a fourney around a large group of Exposition officials. The scene was rendered quaint and impressive by the soleming attending the drinking of the pledge.

Doctor Lewald was first excerted to the office of President Francis in the Administration building, the rendezvous of the party, by Doctor Frederick C. "Please convey to your Government our thanks and our appreciation for its participation in this universal Exposition, and also express to His imperial Majesty our hope that if he himself is unable to favor us with his presence he will not fall to send to us the Crown Prince of the German Empire. We reciprocate the desire to which you have so eloquently given utterance, that the participation of your country in this Exposition, held under the auspices of the American Republic, may serve to cement still more closely the friendly relations that now exist between your country and our own."

Among those who participated officially in the exercises were Doctor Lewald, Bruno Mochring, the architect representing the German Empire: Doctor F C. Danderine

THREE WELL KNOWN YOUNG LADIES WHO ARE RECEIVING WONDERFUL RESULTS FROM THE USE OF DANDERINE.

ENOWLTON DANDERINZ CO., Chicago, III.

Dear Site — Two of my girl friends and myself have been using your Danderine for several months. We all commenced using it should be more time, and we are seeing which of us can grow the longest hair. For a month we used it once a day, after that twice to three times a week. All of our hair is much thicker than it was, and mine is fully seventeen inches longer. It seems the longer it gets the faster it grows Are we using it to the very best advantage? Kindly answer at once.

Respectfully. Rauth Haroly 31 50. 41st Are..

We here show photographs of three young ladies who are having a hair-growing race, the loser to pay for all the tonic used. There is also another agreement entering into the wager (upon which we are not fully informed) concerning matrimony. We will try and show their photographs again when the contest is closed.

Nearly Every Lady in the City of Chicago Uses Danderine and if you will look at the wealth of luxeriant and beautiful hair exhibited in the above photographs you will see the reason for it. It is the only remedy ever discovered that will make hair grow and stop it from falling out (we back that statement with Five Thousand Dollars). Chicago St. Louis, Kansas City, New York and Beston dealers are now buying it by the car load in order to supply the tremendous demand, which its unbounded merit has created. Pretty anbatantial proof of merit, is it not? Be sure you get the genuine, made only by the Knowlton Danderine Co., Chicago.

NOW at all druggists in three sizes, 252., 50c. and \$1.00 per bottle.

To show how quickly Danderine acts we will send a large sample free by return mail to anyone who sends this advertisement to the KNOWLTON DANDERINE CO., CHICAGO, with their name and address and 10 cents in silver or stamps to pay postage.
